READ AND YOU WILL LEARN

That the leading medical writers and teachers of all the several schools of practice endorse and recommend, in the strongest terms possible, each and every ingredient entering into the composition of Dr. Pierce's Golden Medical Discovery for the cure of weak stomach, dyspepsia, catarrh of stomach, "liver complaint," torpid liver, or biliousness, chronic bowel affections, and all catarrhal diseases of whatever region, nature, or source. It is also a specific remedy for all such chronic or long standing cases of catarrhal affections and their results, as bronchitis, throat and lung diseases (except consumption) accompanied with severe coughs. It is not so good for acute colds and coughs, but for lingering, or chronic cases it is especially efficacious in producing perfect cures. It contains Black Cherry bark, Golden Seal root, Bloodroot, Stone root, Mandarin root and Queen's root—all of which are highly praised as remedies for all the above mentioned affections by such eminent medical writers and teachers as Prof. Bartholow, of Jefferson Med. College; Prof. Hare, of the Univ. of Pa.; Prof. Finley Billingswood, M. D., of Bennett Med. College, Chicago; Prof. John King, M. D., late of Cincinnati; Prof. John M. Souther, M. D., late of Cincinnati; Prof. Edwin M. Hale, M. D., of Rahmehmann Med. College, Chicago, and scores of others equally eminent in their several schools of practice.

The "Golden Medical Discovery" is the only medicine put up for sale through druggists for like purposes, that has any such professional endorsement—worth more than any number of ordinary testimonials. Open publicity of its formula on the bottle wrapper is the best possible guarantee of its merits. A glance at this published formula will show that "Golden Medical Discovery" contains no poisonous or harmful agents and no alcohol—chemically pure, triple-refined glycerine being used instead. Glycerine is entirely unobjectionable and besides a useful ingredient in the cure of all stomachic as well as bronchial, throat and lung affections. There is the highest medical authority for its use in all such cases. The "Discovery" is a concentrated glyceric extract of native, medicinal roots and is safe and reliable.

A booklet of extracts from eminent medical authorities, endorsing its merits, mailed free on request. Address Dr. R. V. Pierce, Buffalo, N. Y.

A Positive CATARRH CURE
Ely's Cream Balm
is quickly absorbed.
Gives Relief at Once.
It cleanses, soothes, heals and protects the diseased membrane. It cures Catarrh and drives away a Cold in the Head quickly. Restores the Senses of Taste and Smell. Full size 50 cents, at Druggists or by mail. Trial Size 10 cents by mail. Ely Brothers, 66 Warren Street, New York.

A WOMAN TO BE PRETTY
Must Have Luxuriant and Glossy Hair,
No Matter What Cause.

The finest contour of a female face, the sweetest smile of a female mouth, lose something if the head is crowned with scant hair. Scant and falling hair, it is now known, is caused by a parasite that burrows into the scalp to the root of the hair, where it saps the vitality. The little white scales the germ throws up in burrowing are called dandruff. To cure dandruff permanently, then, and to stop falling hair, that germ must be killed. Newbro's Herpicide, an entirely new result of the chemical laboratory, destroys the dandruff germ, and of course, stops the falling hair and prevents baldness. Sold by leading druggists. Send 15c. in stamps for sample to The Herpicide Co., Detroit, Mich.

Two sizes—50 cents and \$1.00.

Weak Kidneys
Weak Kidneys surely point to weak Kidney Nerves. The kidneys, like the heart, and the stomach, find their weakness, not in the organs themselves, but in the nerves that control and guide and strengthen them. Dr. Shoop's Restorative is a medicine specifically prepared to reach these controlling nerves, to doctor the Kidneys alone, in fullness. It is a waste of time, and of money as well. If your back aches or is weak, if the urine scalds, or is dark and strong, if you have symptoms of Bright's or other disease of the kidneys, or if you have any disease, try Dr. Shoop's Restorative a month. Tablets or Liquid—and see what it can and will do for you. Druggist recommended and sell.

Sailors Seize Ferry Steamer.
One hundred sailors from the United States battleship Connecticut, lying in Hampton Roads, while en route from Willoughby Spit to Fort Monroe, on the Norfolk and Portsmouth Traction company's steamer Ocean View, yesterday without apparent cause took charge of the steamer and put the crew completely to rout. The sailors broke out window lights, broke down doors, smashed the glass in the frames containing the boat's government license, drove the cooks from the galley, poured out all the provisions aboard the steamer, dumped on deck the fire in the kitchen stove, turned steam on the fire extinguisher in the lamproom and did other damage.

The officers and crew were powerless, and the sailors, as soon as the steamer landed at Fort Monroe, jumped to the pier and hurried aboard the battleship Connecticut. Their names are not known, but the traction company will make out a bill for damages and send it to Captain Swift, commanding the Connecticut, with the request that the same be deducted from the pay of the men who boarded the battleship from Fort Monroe immediately after the occurrence.

The News—No Pure Drug Cough Cure
Laws would be needed, if all Cough Cures were like Dr. Shoop's Cough Cure is—and has been for 20 years. The National Law now requires that if any person enter into a cough mixture, it must be printed on the label or package.

For this reason mothers, and others, should insist on having Dr. Shoop's Cough Cure. No poison marks on Dr. Shoop's labels—and none in the medicine, else it must be law by the label. And it's not only safe, but it is said to be by those that know it best, a truly remarkable cough remedy. Take no chance, particularly with your children. Insist on having Dr. Shoop's Cough Cure. Compare carefully the Dr. Shoop package with others and see. No poison marks there! You can always see on the safe side by demanding Dr. Shoop's Cough Cure. Simply refuse to accept any other. Sold by E. S. Leadbeater & Sons, druggists.

Judge Harrison Assaulted.
Replying to a criticism of his conduct of the Strother trial at Culpeper, which appears in Collier's Weekly, and which says, among other things, that "Judge Harrison is a disgrace to the State of Virginia and the bench, and he ought to be removed," Judge Harrison has given the following to the press:

"What I said to the jury after their verdict was accurately reported in many papers and there was no excuse for any paper misquoting my remarks. I have already denounced in the public press as a malicious libel the press report on which the editorial in Collier's is founded, and the continued publication of the libel is attributed only to a malicious purpose to malign the State of Virginia and all its official representatives."

When asked whether he would bring action for criminal libel against Collier's Weekly and Norman Hapgood, its editor, Judge Harrison refused to state what steps he would take in the matter, although it is believed such action will follow.

Suicide of Multi-Millionaire.
William Alexander Proctor, president of the Proctor & Gamble Company, and one of the founders of the great soap manufacturing company at "Ivorydale," near Cincinnati, committed suicide yesterday afternoon in the bathroom of his country residence at Glendale, a suburb of Cincinnati, by shooting himself in the mouth with a heavy calibre revolver. Death was instantaneous.

It is the opinion of his family and close friends that a state of chronic melancholia, resulting from grief over the death of his wife about four years ago, caused the rash deed.

Mr. Proctor was found dead in a sitting position, with the pistol at his feet, as it had dropped from his hand. The muzzle of the weapon had been in his mouth when the shot was fired. He leaves five children.

A Humane Appeal.
A humane citizen of Richmond, Ind., Mr. T. D. Williams, 107 West Main St., says: "I appeal to all persons with weak lungs to take Dr. King's New Discovery, the only remedy that has helped me and fully comes up to the proprietor's recommendation." It saves more lives than all other throat and lung remedies put together. Used as a cough cure the world over. Cures asthma, bronchitis, croup, whooping cough, quinsy, hoarseness, and phthisis, stops hemorrhages of the lungs and builds them up. Guaranteed at E. S. Leadbeater & Son's drug store, 50c and \$1. Trial bottle free.

Explosion of Powder.
Three kegs of powder, with which children were playing, exploded at the residence of James Dye, a miner, at Barton, Md., yesterday, and Harry, a son, and Leroy, a grandson of Dye were burned to death. The children were rolling kegs nearly filled with powder in the summer kitchen, when the explosion, the cause of which is unknown, occurred. Mr. Dye was frightfully burned in trying to rescue the children. Neighbors saved the house, which was in flames. Dye, his sons, and several boarders are miners, and all keep individual kegs in the house. The flames burned the point of another keg of powder, but it did not explode.

Advice of the largest coffee dealers in the world is always to buy the old-fashioned Arbuckles' ARIOSA Coffee in the sealed packages. Don't ask for a pound of Mocha and Java, or buy by the price, for Coffee fluctuates and you cannot get the same coffee for the same price all the time unless you pay too much for it. Most of the so-called Mocha and Java Coffee is simply masquerading, and is not nearly as good coffee for you as Arbuckles' ARIOSA, the blend of the Brazilian Coffees most suitable to the taste and health of American people. By the looks there is no difference between roasted Java and Brazilian Coffees; many people drink Brazilian but pay for Java.

The principal difference is that Arbuckles' costs you less. It is a mistake to believe that a high price guarantees quality. When you buy Arbuckles' ARIOSA Coffee, you get a full one pound package of the leading Coffee of the world. Its sales for 37 years are greater than the combined sales of all the other packaged coffees. By giving better Coffee for the money, we have built up a business exceeding the combined businesses of the four next largest coffee firms in the whole world. If your dealer will not supply the genuine, write to ARBUCKLE BROS., New York City.

Many sufferers from nasal catarrh say they get splendid results by using an atomizer. For their benefit we prepare Ely's Liquid Cream Balm. Except that it is liquid it is in all respects like the healing, helpful, pain-alleviating Cream Balm that the public has been familiar with for years. No cocaine nor other dangerous drug in it. The soothing spray relieves at once and cure is certain. All druggists 75c, including spraying tube, or mailed by Ely Bros., 66 Warren Street, New York.

Twenty-five cents a bottle. Its value is incalculable. Be sure and ask for Mrs. Winslow's Soothing Syrup and get no other kind. Guaranteed under the food and drug act, June 30th, 1906.
